

# Duraflor® Ultra™

5% Sodium Fluoride White Varnish

## Introducing Duraflor Ultra white varnish

**Prevents caries**

**Sweetened with xylitol**

**Great tasting flavours**

The next generation of varnish provides our fastest  
fluoride release\* for unmatched results

Medicom is proud to introduce Duraflor Ultra, our next generation of white fluoride varnish which capitalizes on all the benefits you have come to love from Duraflor Halo, now with improved performance. Duraflor Ultra offers our **fastest** and **highest** fluoride release over a 2, 4 and 24 hour period\*. The technologically advanced formula provides a higher fluoride release for unmatched results in the prevention of caries. The smooth easy-to-apply consistency adheres well to the tooth, ensuring the maximum amount of varnish stays on the tooth and does not get ingested by the patient. Sweetened with Xylitol, patients will enjoy the latest delicious tasting flavours.
